Available in 12 or 24VDC input battery versions, the NP Series inverter/charger provides continuous power ranging from 1000-3600W and surge ratings from 3000-8000W. Listed to ...

Pure sine wave precisely duplicates household AC voltage. Suitable for any computer that requires less than 3600 watts continuous. Ultra quiet with no electrical ...

Pure sine wave precisely duplicates household AC voltage. ...

Perfect for off-grid solar systems or backup power setups, this multi-function 3KVA hybrid inverter offers reliable uninterruptible power support and can operate without a battery.

The NP Series is the newest Pure Sine Inverter Charger line from Dimensions. This series is available in 12, 24, and 48VDC input with AC output power ranging from 1000-3600 watts.

Experience reliable performance with the Techfine 3600 Watt Solar Inverter. Designed for home solar systems, this solar 24V inverter features lightning protection and a high voltage safety ...

Inverter is compatible with 24V Lead-Acid (Seal, AGM, Gel, Flooded) and lithium batteries. The solar charge module uses optimized MPPT tracking technology, achieving an ...
