Home / Hiking Equipment / Companion Rover Lithium 40Ah Power Station; Companion 120W Solar Charger

Having a Companion Portable Power Pack on board will ensure that your 12V DC devices are on demand when required. Utilising various output ...

The Rover Lithium 40Ah Power Station is ideal for powering 12V portable fridge/freezers and other items around your campsite. FEATURES:

In short, by the end of the seven-day traverse of the northern Simpson Desert, I was seriously impressed: this "small" power pack punched well above its weight in terms of overall ...

My Companion 40ah is only 18 months old, only used a half dozen times and always stored fully charged - it now turns off with the battery percentage at around the 65% mark, completely dead.

Having a Companion Portable Power Pack on board will ensure that your 12V DC devices are on demand when required. Utilising various output sockets, the 40 amp hour Power Pack is ...
