1 "What is a difference between X and Y?" is also grammatical, but it means something that one hardly ever wants to say: the speaker has deliberately refused to indicate ...

feels more natural than: "I can't see any differences between the two" unless it was understood that it is expected that the speaker ought to be able to find a number of specific differences, for ...

When you think that there are more than one unlike events involved, use plural. For example: Are there any differences? If you talk about one particular What is the major difference?

Is there any difference between the following sentences? What is the difference in meaning between those words? What is the difference of meaning between those words?

As you say, the differences between "when" and "as" can be subtle, but nevertheless distinct. "When" implies a particular moment in time, and "as" implies concurrent action -- which is to ...

We use a plural form when we expect that there are (or may be) multiple differences. Are there any differences between these pictures? One has more people, fewer ...

But even knowing that there are, technically, multiple differences, unless the person asking the question is doing so as a kind of quiz or they are deliberately calling ...

What's the difference between a single and a double quotation mark in English? I've heard that it only depends on where you live the US (for double quotation mark) or the UK and ...
