---

To help narrow down the options, we tested several top-performing solar-powered water pumps, evaluating them for flow rate, durability, ease of installation, and overall efficiency.

high implies marked extension upward and is applied chiefly to things which rise from a base or foundation or are placed at a conspicuous height above a lower level.

If something is high, it is a long way above the ground, above sea level, or above a person or thing. I looked down from the high window. The bridge was high, jacked up on wooden piers. ...

Find what you need for solar water pumping right here. We carry solar powered water pumps (and a few AC pumps) from several manufacturers, including Grundfos (SQF), SunPumps, Dankoff, ...

Derived forms: highs, highest, higher.

High (adjective, informal): Intoxicated by drugs or alcohol. The word "high" is a versatile term with multiple meanings and applications, spanning physical elevation, emotional ...
