1 One of the former students. "One of" refers to a group. The group that follows is plural. "Students" is plural of "student." Consider the statement, "one of the team." A team is a ...

"Which one is the best" is obviously a question format, so it makes sense that "which one the best is" should be the correct form. This is very good instinct, and you could ...

When using the word "which" is it necessary to still use "one" after asking a question or do "which" and "which one" have the same meaning? Where do you draw the ...

China has brought a 1 GW offshore solar power plant online off the coast of Dongying, Shandong province, combining PV with energy storage and aquaculture in what is ...

China has commissioned the world's largest open-sea offshore solar power plant, bringing a 1-gigawatt (GW) photovoltaic (PV) installation fully online off the coast of Dongying ...

The United States installed approximately 14.1 gigawatt (GW)-hours (4.3 GW alternating current [GW ac]) of energy storage onto the ...

I want to know what the constraints are on using the phrase one of the. Is it used correctly in this example? He is one of the soldiers who fight for their country.

The quantification of one gigawatt of solar energy specifically denotes the potential output of solar photovoltaic systems under ideal conditions. Factors that influence these ...
