ROMAN (with the DAC division) is a truck and bus manufacturer from Brasov, Romania. It was established after World War II on the foundation of the old ROMLOC automotive factory built in 1921. In 1948, the industrial plant was named Steagul Rosu (The Red Flag), and later Intreprinderea de Autocamioane Brasov (Brasov Truck Works). In 1990, it became ROMAN SA. The company has a special truck division, under the DAC brand name.

Designed with mobility, modularity, and flexibility in mind, Power Edison has worked closely with U.S. electric utilities and industry partners to deliver a ...
